

Biton Web Reports

Web Reports Newsletters.

- Create Newsletters combining several reports and charts
 - Newsletters can be scheduled or created on the fly
 - Each Newsletter is archived on the database
 - PDF format
 - Can combine reports from disparate data sources
 - May be single or multi-page

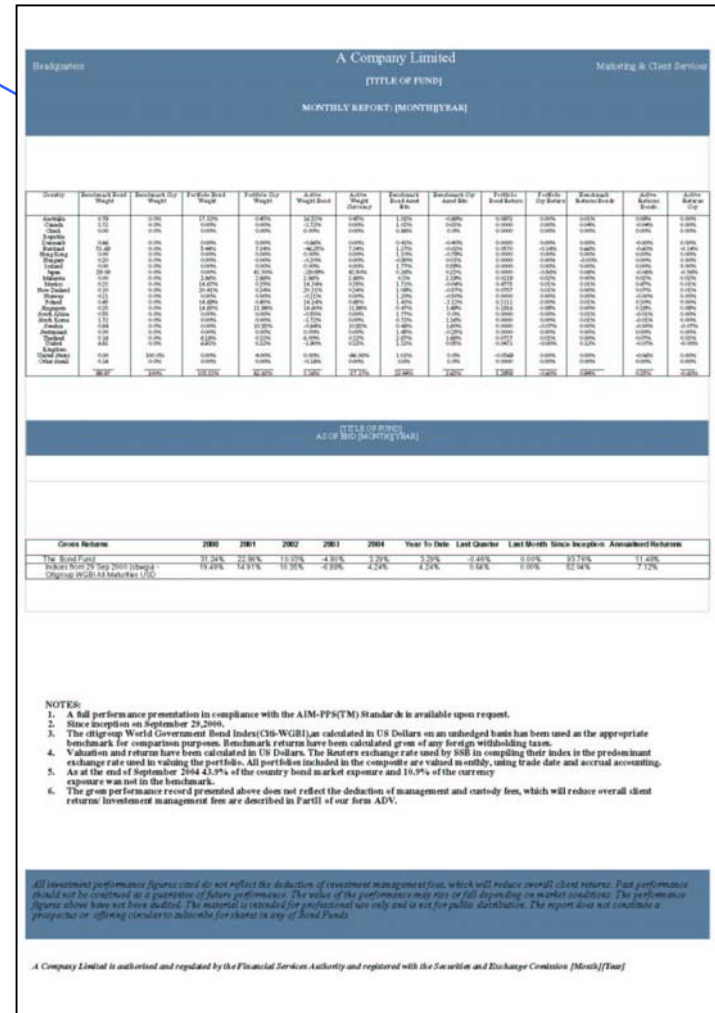

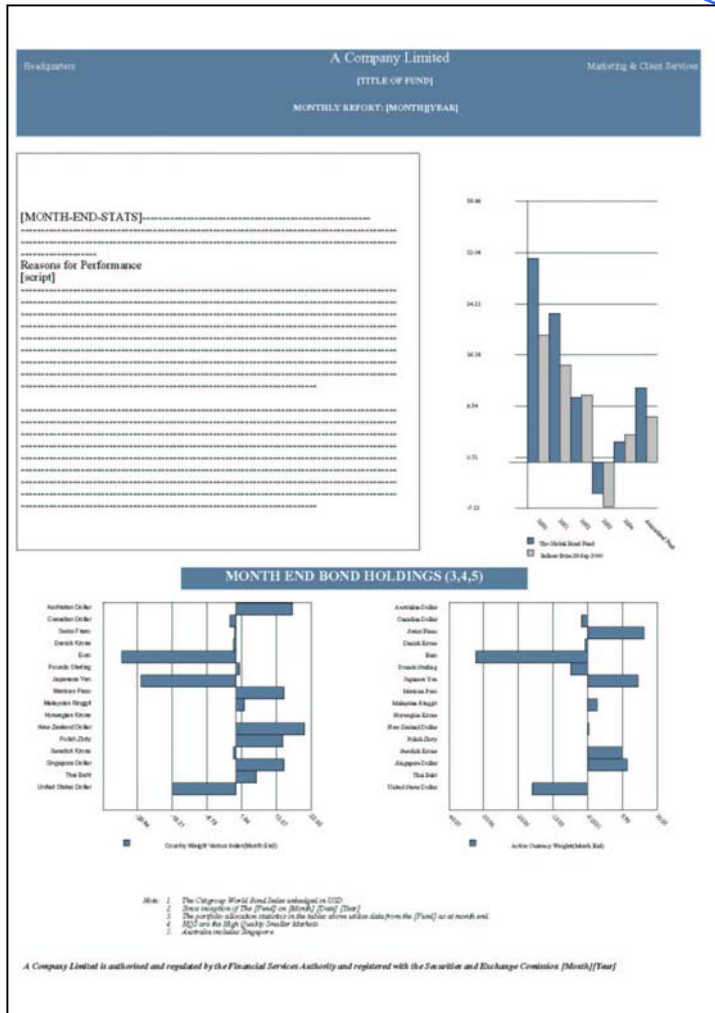

Biton Web Reports

Example of a single page newsletter – combining two Biton reports and Biton line chart

Biton Web Reports

Example of a two page newsletter – combining Biton data and index data imported from an MS Access database
